# Pepper Cook Seva Foundation

## -----○ Hello from Pepper Cook Seva Foundation!

We are excited to share the latest happenings from our Seva Kitchen, where every day brings new opportunities to spread kindness and nourishment to the children of Mumbai. Here's a roundup of the recent activities that have made an impact, thanks to our incredible supporters:

### CSR Activity with HDFC Capital Advisors

We were honored to have the team from HDFC Capital Advisors join us for a Corporate Social Responsibility (CSR) activity at our Seva Kitchen. With their enthusiastic participation, we were able to cook and serve meals to hundreds of underprivileged children. Their hands-on support exemplifies the power of corporate involvement in community upliftment. We look forward to more such partnerships!

### Sil Foods Donates 2,280 Boxes of Cornflakes & Chocos

We are extremely grateful to Sil Foods for their donation of 2,280 boxes of cornflakes and chocos. This thoughtful gift has provided the children with nutritious meal options, helping them start their day with a smile. It's a delicious way to ensure that no child goes hungry! To serve this cornflakes in a different way, we introduced @thepeppercook's unique recipe of "cornflakes bhel".

## Kisan Konnect Donates Fresh Vegetables

A big thank you to Kisan Konnect for their generous donation of fresh vegetables from their waste stock of 150 kgs a week! Their contributions have added nutritional value to the meals we serve daily, ensuring that the children receive healthy, balanced diets. Together, we are growing a healthier future for our community's young minds.

## Food Service India Donates 360 kgs of Gravy

We would like to express our deepest gratitude to Food Service India for their donation of 360 kgs of flavorful gravy in October. This incredible contribution has added an extra touch of taste to the meals we serve, making them even more delicious and nutritious for the children.

## Stationery Kit Donation Drive

This festive season, we extended our support beyond meals with a Stationery Kit Donation Drive. Thanks to the generous contributions from our donors, we were able to distribute 1,100 educational kits to the children we serve, ensuring they have the tools they need for their studies. It was a heartwarming initiative that brought joy to many young faces.

In collaboration with our partner NGO, Enrich Lives Foundation, which runs study rooms for needy children, we also distributed these educational kits to the kids they teach, further supporting their learning journey. Together, we're making a difference, one kit at a time!

# CSR partnership with Auto Hanger

We are thrilled to announce our CSR partnership with Auto Hanger, thanks to the generous sponsorship by Mr. Mohan Mariwala, Managing Director of Auto Hanger. With their support, we are now on track to reach our goal of preparing 30,000 meals each month. This contribution will allow us to feed even more children, nourishing their minds and bodies.

## Thank You for Being a Part of Our Journey

As we continue to work toward our mission of feeding Mumbai's underprivileged children, we are reminded daily of the power of collective action. Each donation, each volunteer hour, and every bit of support brings us closer to a world without hunger.

## Want to Help Us Do More?

Join hands with Pepper Cook Seva Foundation today. Your contribution, no matter the size, goes a long way in creating a brighter future for Mumbai's children.

Stay connected with us through our social media channels for more updates, stories, and ways to get involved.
