

Dear Friends & Patrons,

We're happy to bring you our May 2025 update, full of inspiring moments and the generous spirit that powers our Seva Kitchen.

### **“Seva by Stahl” - A Thoughtful Donation**

We're thrilled to share that Stahl Kitchens generously donated a beautiful new cookware set, including a massive kadhai and an extra large pressure cooker – both engraved with the phrase *"Seva by Stahl"*. These high-quality additions have already become a vital part of our daily cooking, helping us feed 1500 children daily. The engraved message reminds every volunteer of our purpose in the kitchen is - *Seva*.

### **From Muscat, With Care – Cookers from Mrs. Smita Naru**

This month, we received a thoughtful donation from overseas. Mrs. Smita Naru, a long-time supporter of our work, sent brand-new pressure cookers directly from Muscat. These cookers are now in use at the kitchen, making it easier for our volunteers to prepare meals for hundreds of children each day. In addition, Mrs. Naru facilitated the above donation by Stahl.

### **Preeti Shah's Contribution from Los Angeles**

We're always moved by how far kindness can travel. Preeti Shah, based in Los Angeles, made a generous donation this month that helped us stock up on much-needed kitchen supplies. Her support is a powerful reminder that distance doesn't limit compassion. Thank you, Preeti, for standing with us.

### Pooja Agarwal's Special Day

Pooja Agarwal chose to celebrate her birthday not by parting or receiving presents, but by spending her special day in our Seva Kitchen. She came with enthusiasm, laughter, and energy helping cook and serve meals for the children. Her joy was contagious, reminding us how beautiful it is to celebrate life through acts of kindness.

### A Wedding Anniversary - Mr. Manghnani & Family

This month, we had the honor of hosting Mr. Manghnani as he celebrated his 63rd wedding anniversary. Mr. Manghnani marked the occasion by cooking Suji ka Halwa for our children. What made it even more special was the presence of his daughter Anmol, who flew in all the way from Spain to join him in this act of *Seva*. Together, they turned a family celebration into a meaningful moment for everyone at the kitchen.

### Ritika Chopra's Tribute to Her Parents

Ritika Chopra, has been one of our earliest supporters, who helped us via weekly vegetable donations to build the kitchen as it is today. She marked her parents Prema & D.D. Chopra's anniversary in the most meaningful way by sponsoring an entire meal for the children at our Seva Kitchen. It was a day filled with joy, full plates, and beautiful memories.
